LICKING LESBIANS No.2

Whenever I feel weary and depressed I stop by to see my friend Sue. This cute blonde knows exactly what to do to cheer me up. We begin by undressing!

You can bet that a l
of loving licking ar
fond frigging is a b
part of the cure for m
doldrums. It's soothin
and exciting at the
same time

I love her tits. They're
so soft and so cuddly.
I squeeze them gently
and kiss them all over
— but my lips pay
special attention to
sucking her nipples!

She says my tits are perky, and my pussy is the sweetest she's ever tasted. Eagerly, her hot mouth zooms in on both targets, working on one, then the other!

A female can't imagine how thrilling it is to have another girl's tongue licking her overheating pussy. She has to experience it like this!

Sue squeals delightedly as my finger finds her hot, wet pussy and rubs it passionately between the folds of her slit and up over the quivering clit!

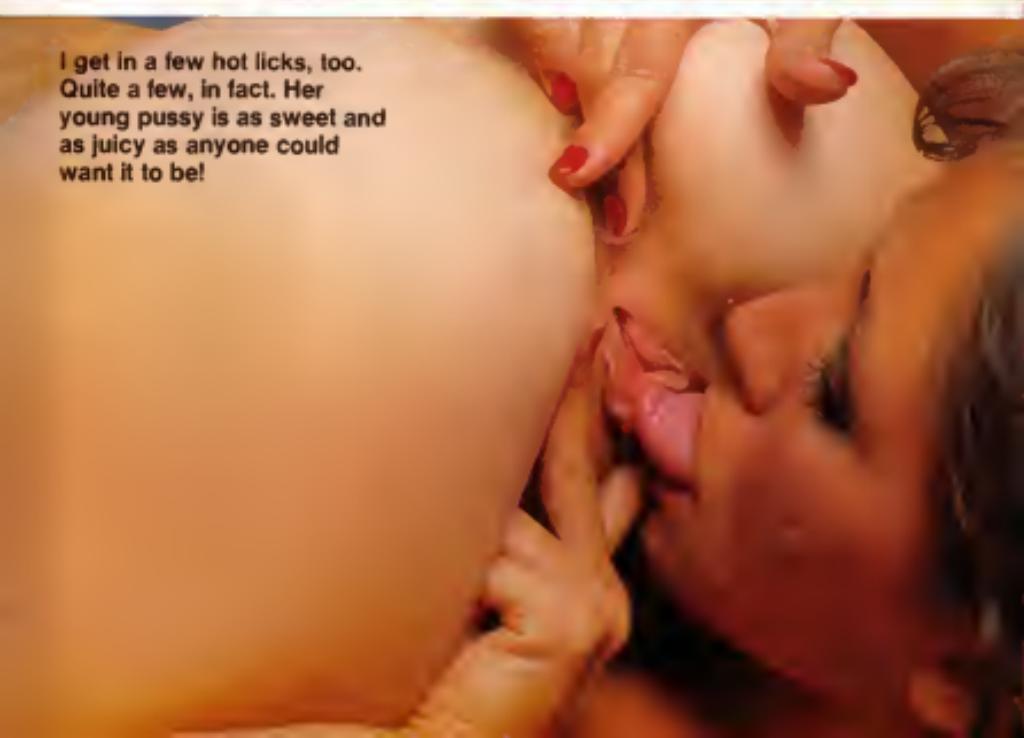

Years of practice have made Sue an expert pussylicker. She knows how to tongue in deep and how to tease and tantalize. Either way, the effect is won-der-ful!

I get in a few hot licks, too.
Quite a few, in fact. Her
young pussy is as sweet and
as juicy as anyone could
want it to be!

Her warm cuntjuices dribbling across my happy tongue provide all the physical, emotional and sexual nourishment I need!

With a dildo buzzing in
her pussy and my
tongue fluttering over
her clit, Sue is in
orgasmic ecstasy. In
case you can't tell, I'm
enjoying it, too!

Her beautiful tongue is determined to find and pleasure every sensitive spot on my hot, squirming body. She knows the territory very well by now!

With buzzing vibrator and fluttering tongue, Sue returns the favor by sending me into the throes of one of the best orgasms I've ever had!

Time I'm in a daze of
delirium. My world-
woes have
weared, tongued away
a lovely blonde!

The shaking goes on and
on, and still she continues
licking and fucking me.
"And now for dessert," Sue
says with a smile.

Sue's creamy pussy is dessert
enough, but a cherry topping is fun to
eat — especially when it's a container
like this!

HAPPY BIRTHDAY

FLAP

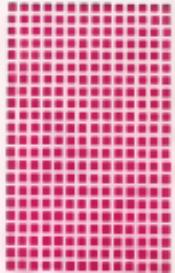

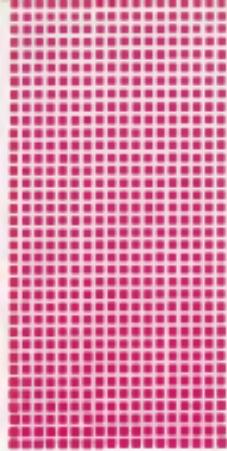

LISEM

Was Wanda ever surprised when I popped out of her birthday box. And speaking of boxes, this hot girlfriend heads right for my juicy crotch!

**Some hot, juicy
girl-to-girl action
is just what we
both need — on
her birthday or
any other day.
Cock is okay, but
for a treat we
enjoy tits and
pussy!**

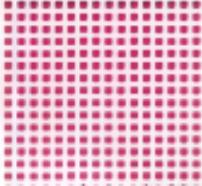

*I bought her a
special vibrator
for her birthday,
and of course we
had to try it out on
each other.*

***Even with a
vibrator in her
pussy, the
personal touch is
always welcome.
What could be
more professional
than my loving
tongue on her
quivering clit?***

e tit and clit
ng doesn't do any
either. Better
that a lot of tit
lit rubbing!

What a lucky girl Wanda is to have so many sex toys. This double dong was sure a lot of fun for us both. It was twice as good as the real thing!

A photograph of two women in lingerie. One woman, with long dark hair, is leaning over another woman who is lying down. The woman leaning over is wearing a white top and black bottoms. The woman lying down is wearing a white top and red bottoms. They are both wearing white stockings and high-heeled shoes. The background is a plain, light-colored wall.

*Wanda and I are
always in heat,
and sessions like
this make us
hotter. Our
pussies are
practically
incandescent with
passion!*

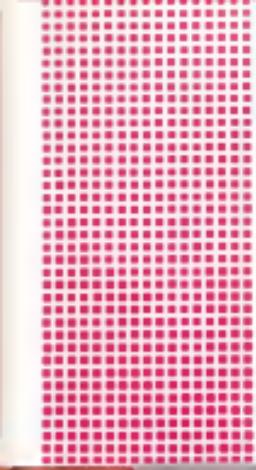

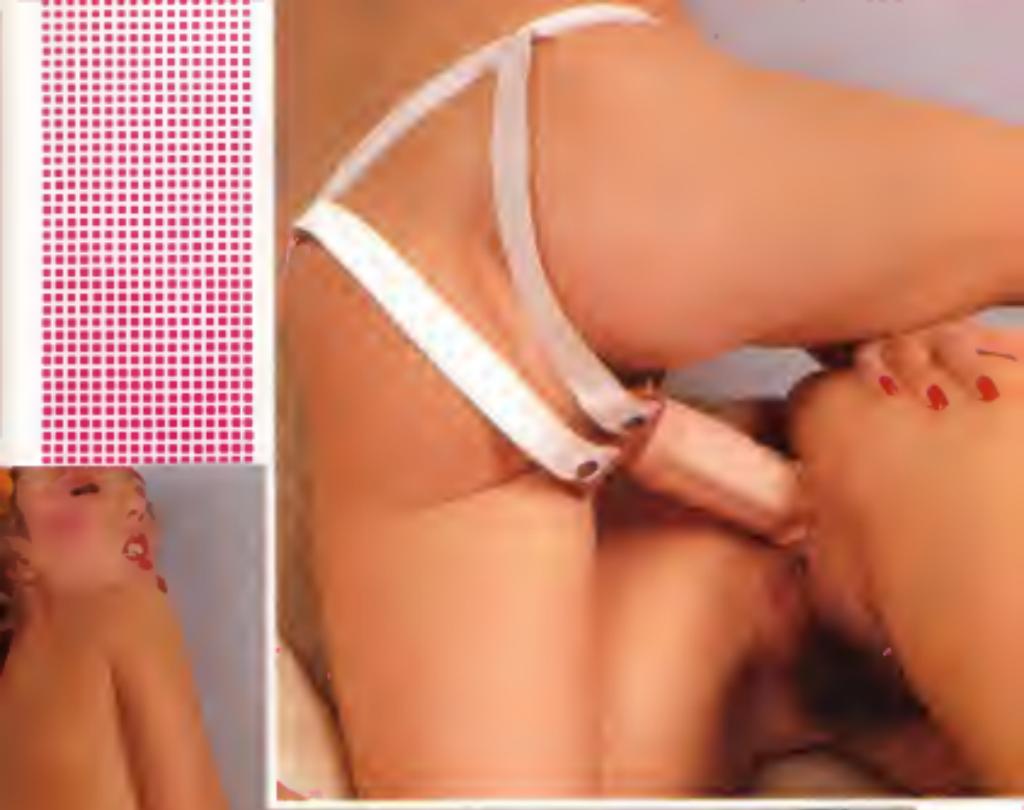

*I guess it's safe to
say that Wanda
had a fucking
good time at her
birthday party.
Here's living
proof. Some guys
who see us like
this get pussy
envy!*

A color photograph of a man and a woman in an intimate pose. The man, in the background, is shirtless and wearing white briefs with red piping; he has his hands on the woman's hips and is looking down at her. The woman, in the foreground, is also shirtless and wearing similar white and red briefs; she is leaning back, looking up at the man with her eyes closed. They appear to be on a bed or couch.

*My one desire is to
make this lovely
girlfriend of mine
happy, and from
that look on her
face and the sighs
and groans of
delight I'm
succeeding!*

**Wanda wanted to
fuck me, too, so of
course I let her.
Wow, this is one
great way for a
girl to get her hot
pussy reamed out.
It never loses its
erection either!**

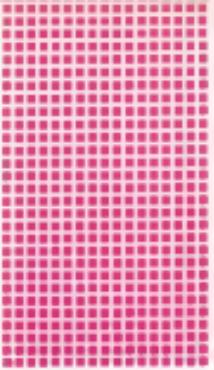

We really got into the spirit of the fuck. Wanda nibbled on my tits while I had myself one orgasm after another!

*In fact, I lost track
of the number of
orgasms I'd had —
but at a time like
that, who's
counting? It was
Wanda's birthday
and we were both
having fun!*

When you're hot,
you're hot, and I think
it's safe to say that
we — are — HOT! And, I
might add, getting
HOTTER!

*Here's a spot I
haven't tongued
lately. Mmmm, it
tastes something
like chocolate
fudge. I like it.
Every part of
Wanda's body is
delicious!*

I was about to give
you a birthday
surprise when she
told me her
birthday isn't
today; it's
tomorrow. So
we'll have to do it
all over again.
How about that?
